

Job Title: Seasonal Naturalist, Camps
Hours: 40 hours/week, M-F, some weekends and evenings
Pay: \$9.00 / Hour
Duration: 12 Weeks; Flexible between May and August

This position is an excellent opportunity for a candidate interested in interpretation or education to gain valuable work experience in the field.

We offer week-long summer day camps. Campers will learn about the natural world in a fun, hands-on, outdoor setting.

Responsibilities:

- Assists with the development, coordination and daily operation of the District's Summer Explorers Nature Day Camp Program for children ages 7-10 years;
- This position will be involved in the entire day camp process and have a direct impact on the campers' understanding of the environment.
- This position may assist with additional summer programming and assist in the operation of The Lodge at Deer Haven Preserve at times.

Minimum Requirements:

- Valid driver's license and evidence of satisfactory driving record for insurability;
- Basic understanding of dendrology, botany, ecology, geology, entomology, ornithology, and other fields typically required through some college coursework;
- Experience working with children of all ages;
- General understanding of natural resources;
- First aid and CPR certified;
- Experience with camps a plus.
