## Paving Emily Traphagen Preserve Driveway and Parking Area

Preservation Parks of Delaware County intends to apply for grant funding to improve parking and accessibility at Emily Traphagen Preserve, one of the most visited parks in the system, with more than 53,000 visitors a year.

### Proposed improvements include:

- ◆ Paving of the driveway and parking area
- ◆ Accessible routes to the play area, picnic shelter and restroom

### Benefits to the Community:

- ◆ Improved park access for persons with disabilities, families with strollers, and cyclists who visit the park
- ◆ More efficient maintenance, such as snow plowing, for keeping the park open and safe for winter visitation
- ◆ The ability to better designate accessible parking and loading areas
