

Job Title: Park Technician – West Zone
Hours: 40 Hours per week
Pay: \$12.50 / Hour
Benefits: Full-time benefits

Preservation Parks of Delaware County is currently accepting resumes for a full-time Park Technician position to perform maintenance functions and keep the parks clean and safe.

The Park District's goals are to provide passive recreation activities, such as hiking and picnicking, while keeping development to a minimum. Within the park system, visitors can see meadows, prairies, wetlands, virtually untouched wood lots, ravine systems, waterways, and the remains of glaciers.

Responsibilities:

- Mowing, weeding, trimming, tree trimming, pruning, planting;
- Maintaining vehicles and performing preventative maintenance and repairs;
- Operating power tools and heavy equipment including tractors, backhoes and mowers;
- Janitorial duties (cleaning restrooms and park facilities; removing litter and trash);
- Working on maintenance and construction projects;
- Assuring that facilities are ready for daily use, special functions and or/naturalist programs.

Minimum Requirements:

- Associates degree in Natural Resources or related field preferred;
- Valid driver's license and evidence of satisfactory driving record for insurability;
- Ability to operate hand and power tools, and mowing equipment;
- General maintenance and mechanical skills;
- General understanding of natural resources and environment;
- Ability to work without supervision.
