

**Job Title:** Seasonal Construction Technician  
**Hours:** 7:00am – 3:30 pm, Monday - Friday  
**Duration:** 12 Weeks; Flexible between April and August 2014

Preservation Parks of Delaware County offers an excellent opportunity for a candidate looking to gain valuable work experience in the construction industry.

The Park District's mission is to provide passive recreation activities, such as hiking and picnicking, while keeping development to a minimum. Within the park system, visitors can see meadows, prairies, wetlands, virtually untouched wood lots, ravine systems, waterways, and the remains of glaciers.

**Responsibilities:**

- General maintenance and construction duties, including, but not limited to:
  - graveling trails,
  - general carpentry,
  - simple plumbing and electrical work,
  - painting,
  - operation of a tractor,
  - masonry,
  - construction of exhibits and displays.
- Assist with the repair of facilities and signs along with constructing trails and fences.

**Minimum Requirements:**

- Ability to operate small construction equipment including hand and power tools;
- General maintenance and mechanical skills;
- Ability to work without supervision;
- Valid driver's license and evidence of satisfactory driving record for insurability;
- Prior experience in the construction field preferred but not required;
- Interest in natural resources or wildlife management a plus.
