

Cuisine Along the Ravine is just around the corner — February 11! Here is a preview of the wonderful donations we've received so far; check the web site later for an update. The donations will be grouped into Gift Baskets for the silent auction. Minimum bids for the baskets will range from about \$40 to \$150 — there's something for everyone. Only cash and checks will be accepted, so plan accordingly. Thank you to our donors!
