

Preservation Parks of Delaware County Rules for Geocachers *

** The word "geocache" refers to both a geocache and letterbox.*

All Preservation Parks rules and regulations apply (see rules posted in kiosk)

Geocache rules

- Do not hike off-trail. All geocache boxes are to be placed close to trails and in public-use areas, so searchers do not need to stray far off-trail.
- Do not dig. Geocache boxes will be found at, or near ground level.
- Geocache boxes should be returned to the location in which they were found.
- Littering will not be tolerated. Please use trash cans, or take all trash with you.
- If you take an item from the geocache, leave an item. Do not leave food, alcohol, drugs, firearms, or any other dangerous, illegal or inappropriate items.
- Sign the logbook, but do not take the logbook or pencil.
- All items that are left in the geocache must have been brought into the park. Do not pick flowers, or pick up rocks, minerals or any historical or archaeological artifact to put in the box.
- If there are any problems with the geocache, contact the box owner or a Park District employee.
- Be sure to allow plenty of time to locate the geocache site. Parks are open 8 a.m. to sunset daily; sunset times are posted in each park kiosk.
